Hints and Tips for Exhibitors

GENERAL

Read the schedule and rules carefully: if in doubt consult the Steward or Show Manager.

Specimens in an Exhibit should be clean, free from blemishes or pest damage and be uniform, i.e. matched for size, shape and colour.

Remember Judges look for quality: so size is a meritorious characteristic ONLY if accompanied by quality.

Take a few extra specimens to the Show in case of an 'accident' with your 'first choice' ones, but after staging check number of specimens in your exhibit to make sure it complies with Schedule.

An Exhibit is always improved if it is neatly labelled with the cultivar name.

KINDS - Carrots/peas/potatoes are different kinds of vegetables.

VARIETIES - Vanessa/Epicure are different varieties of potato

- otherwise known as **CULTIVARS**.
